

PUBLICATION PROCUREMENT AND EXPLOITATION CONFERENCE

131000 February 1957

Pentagon Room 2C468

AGENDA

1. Consideration of scope of exploitation effort with regard to the Soviet "Reference Journals" (Referativnyy zhurnal). These journals include the following series:
 - a. Electrotechnical
 - b. Astronomy and geodesy
 - c. Biology
 - d. Biological chemistry
 - e. Geography
 - f. Geology
 - g. Geophysics
 - h. Mathematics
 - i. Machine construction
 - j. Metallurgy
 - k. Mechanics
 - l. Physics
 - m. Chemistry
2. Consideration of the proposal to use the IAD single fund concept. (Will be explained by the Chairman at the conference.)
3. Consideration of a coordinated program for exchange of unclassified publications with "Iron Curtain" countries.
4. Consideration of the preparation of a guide for briefing visitors to the USSR (and other "Iron Curtain" countries) on publication procurement.
5. Consideration of the preparation of an interrogation guide on Sino-Soviet-Bloc publications.
6. Consideration of adoption of a standard format for reporting translations to CDCFR for the monthly "Report of Status of Translations." What other changes in method and periodicity of reporting are desirable?
